TRAFFIC ADVISORY

BEGINNING OF CSO 013NE TO CLOSE TRAVEL LANES ON NORTH EAST STREET (BR-27)

The City of Lansing Department of Planning and Neighborhood Development announces that the City of Lansing's Combined Sewer Overflow Control Project 013NE will begin on **Friday, April 4, 2008**. To facilitate construction, **lane closures will be implemented on North East Street (BR - 27)**.

The CSO 013NE lane restrictions will begin by Banghart Street south of Sheridan Road and continue north to Coleman Road. The intersection of North East Street (BR-27) and Sheridan Street is scheduled to remain open during construction.

North and southbound traffic will be reduced to one travel lane in each direction. The remaining three interior lanes will be closed to commuter traffic during construction. Motorists are advised to be cautious of construction traffic entering and exiting this area.

Work is expected to continue into November, 2008. Further traffic updates with respect to this project will be provided as appropriate.

Access to adjacent businesses will be maintained. Motorists are advised to expect delays and seek alternate routes whenever possible.
