Census Jobs Meetings Scheduled Early January

The Lansing Complete Count Committee and the U.S. Census Bureau invite you to a community meeting to talk about Census jobs. The Census Bureau wants to hire people to work as enumerators in their own neighborhoods to help ensure that everyone gets counted in the 2010 Census. **If you are interested, or know someone who is, please attend any one of these meetings.**

Tuesday, January 12, 2010
Otto Middle School cafeteria
500 Thomas St.
6:30 PM

Wednesday, January 13, 2010
Cristo Rey Community Center gym
1717 High St.
6:30 PM

This is also a good opportunity for community leaders to meet with the Census Bureau and discuss how we can make the 2010 Census successful.

The 2010 Census Count determines the flow of millions of dollars into our community for programs such as housing, road improvements, job training, and community health, and determines our political representation at the state and national levels.

The Census counts! We need your help to make sure that everyone is counted!
