TRAFFIC ADVISORY

CSO-023 FINAL PAVING SCHEDULED FOR MICHIGAN AVENUE BETWEEN THE GRAND RIVER AND PENNSYLVANIA AVENUE

The City of Lansing Department of Planning and Neighborhood Development is pleased to announce that with the progression of the Combined Sewer Overflow Separation Project 023, **The final roadway paving phase of work on Michigan Avenue and Pennsylvania Avenue is scheduled** to begin on Friday, October 19, 2007 after 6:00 p.m.

The purposed schedule is as follows:

Friday, October 19: The contractor will be profile milling the intersections of Michigan/Cedar and Michigan/Larch. This work will be done under traffic with lane closures. This work will start at 6:00 PM and will continue until the milling is completed. There will be short duration stopping of traffic on Michigan Avenue as the milling machine crosses the intersection. ***Expect traffic delays.***

Saturday, October 20: Paving will occur at the intersection of Michigan/Cedar, the intersection of Michigan/Larch and Larch Street north of Michigan. This work will be done under traffic with lane closures. There will be short duration stopping of traffic on Michigan Avenue while the paving equipment crosses the intersection. ***Expect traffic delays.***

Saturday, October 20 or Sunday, October 21: Paving will occur on Pennsylvania Avenue between Michigan Avenue and Eureka Street. Paving will occur on Michigan Avenue between Pennsylvania Avenue and the entrance to the Sparrow Professional Office Building. This work will be performed on Saturday October 20 if the paving of Larch Street proceed expeditiously. However, if the paving of Larch Street takes longer than anticipated, the paving by Sparrow Hospital will be delayed until Sunday, October 21. This work will be performed under traffic with two-way traffic being maintained. ***Expect traffic delays.***
