PEDESTRAIN TRAFFIC ADVISORY

PORTIONS OF THE RIVER TRAIL WILL BE CLOSED FOR REPAIRS

The City of Lansing Department of Planning and Neighborhood Development announces closing of the river trail between Potter Park and Trager Park for river trail decking repairs during the week of November 12, 2007.

Pedestrian detour signage will be installed to directing the Lansing River Trail user's north on Pennsylvania Avenue, west on Hazel Street and south on Beech Street for west bound traffic. The reverse is true for east bound users. This will allow for the removal and replacement of the River Trail boardwalk deck boards during the day and it being opened up for pedestrian evening use.

The work is scheduled to be completed within a week weather permitting.
