TRAFFIC ADVISORY

MICHIGAN AVENUE/WASHINGTON SQUARE INTERSECTION TO CLOSE

The City of Lansing Department of Planning and Neighborhood Development announces that the ongoing reconstruction of Michigan Avenue between Grand Avenue and Capitol Avenue has progressed to the Washington Square Intersection. **The MICHIGAN AVENUE/WASHINGTON SQUARE INTERSECTION WILL BE CLOSED TO ALL VEHICULAR TRAFFIC beginning Tuesday, August 14, 2007.**

Contractors will close the intersection to begin construction of the roundabout.

On street, metered, parking along Washington Square, adjacent the construction zone, will be maintained as much as possible. Sections of Michigan Avenue east and west of Washington Square will be closed to parking to allow for material staging and prevent access issues.

Pedestrian traffic across Michigan Avenue on both sides of the intersection will be maintained at all times.

Pedestrian traffic across Washington Square will be maintained at all times on either the north or south side of the intersection. Periodic closures of these walkways will occur during the project.

It is anticipated that construction in this intersection will be completed by late October.
