

**The Greater Lansing Affiliate
of Susan G. Komen Race for the Cure**

Susan G. Komen for the Cure was established in 1982 by Nancy Brinker to honor the memory of her sister, Susan G. Komen, who died from breast cancer at the age of 36. This year, our 25th anniversary, we are shifting into another gear, recommitting to finally, once and for all, finish what we started. Susan G. Komen for the Cure: new name, new logo, same promise - **to end breast cancer forever.**

The Power of One

One Person ~ One Promise ~ One Cure

In 1982, Nancy Brinker had the unwavering faith that she could make one promise to her sister to one day find one cure for breast cancer. Twenty-six years later, that promise lives through the Komen Race for the Cure®, and our faith in the Power of One is as strong as ever.

We invite you to join us for the 6th Anniversary Komen Greater Lansing Race for the Cure® on Sunday, April 27 at 2:00 p.m. and show that you too believe in the Power of One. We encourage you to invite one new person to join us. Bring your friend, neighbor, co-worker or relative to the race. Each one of us makes a difference. Together, we are many and we need your help to make that promise come true.
