CITY HOLIDAY TREE COLLECTION BEGINS
WEEK OF JANUARY 5, 2009

The City of Lansing will be collecting holiday trees **beginning the week of January 5, 2009 and continuing through the week of January 12, 2009.**

Trees should be placed curbside on the same day that blue trash bags, blue trash carts and green recycling bins are collected. They should be free of plastic bags, metal, and ornaments. **TREES 6-FEET IN LENGTH OR LONGER MUST BE CUT IN HALF.**

To assist in the collection process in the event of snow, residents are encouraged to place holiday trees on top of snow banks, and to remove as much snow as possible from the trees so City drivers can see them.

For more information, call the City of Lansing's Waste Reduction Services Hotline at 483-4400 or email recycle@lansingmi.gov.
