TRAFFIC ADVISORY

COMBINED SEWER OVERFLOW PROJECT TO CLOSE PINE STREET TO VEHICULAR TRAFFIC BETWEEN WILLOW STREET AND OAKLAND AVENUE STARTING FRIDAY AUGUST 6, 2010

The City of Lansing Public Service Department announces that the Combined Sewer Overflow (CSO) project will be **closing Pine Street between Willow Street and Oakland Avenue and reopening Pine Street south of Oakland Avenue to vehicular traffic**. Construction for this section of the CSO project is anticipated to be completed by late October, 2010.

Posted detours for the Pine Street are as follows:

Willow Street at southbound Pine Street:

Willow Street traffic at Pine Street will be directed to turn left (south) onto Walnut Street traveling to Oakland Avenue, then right (west) onto Oakland Avenue to return to Pine Street.

Oakland Avenue at northbound Pine Street:

Oakland Avenue traffic will be directed to turn right (north) onto Walnut Street, travel north on Walnut Street to Willow Street, left (west) onto Willow Street to return to Pine Street.

Access to Mid-Michigan Leadership Academy:

Access to the Mid-Michigan Leadership Academy will be from State Street. Motorist will need to travel west on Willow Street to Princeton Avenue, then turn left (south) onto Princeton Avenue traveling to Daleford Avenue, then turn left (east) onto Daleford Avenue to State Street, then follow State Street to the Mid-Michigan Leadership Academy.

Access to local businesses and residences adjacent to the construction area will be maintained.
