TRAFFIC ADVISORY

LANE CLOSURES ON SAGINAW AND LARCH FOR TUESDAY, DECEMBER 15, 2009

The City of Lansing Department of Planning and Neighborhood Development announces that the CSO construction will require lane closures on Saginaw Street and on Larch Street starting at 9:00 AM on Tuesday, December 15, 2009. The lane closures are needed in order to abandon the CSO 045 regulator. Two lanes of traffic will be maintained on both Saginaw Street and Larch Street. It is anticipated that the lane closures will be for one day. However, adverse weather conditions may cause the lane closures to be delayed to the Wednesday, December 16, 2009. No overnight lane closures are expected.
