## TRAFFIC ADVISORY

### **TRAFFIC SHIFT - PENNSYLVANIA AVENUE AT SAGINAW STREET STARTING AUGUST 10, 2009**

The City of Lansing Department of Planning and Neighborhood Development announces that the CSO construction will require the shifting of traffic on Pennsylvania Avenue between Shiawassee Street and Saginaw Street from the west lanes to the east lanes starting Monday, August 10, 2009. The traffic shift shall take place after 9:00 AM.

Left turns from northbound Pennsylvania Street onto westbound Shiawassee Street will be prohibited during this phase of construction. Two-way traffic will be maintained on Pennsylvania Avenue. Two lanes of Saginaw Street will be maintained at all times during construction. The next traffic shift on Pennsylvania Avenue is scheduled for mid-September. Access to local businesses will be maintained.

The traffic shift is necessary in order to reconstruct Pennsylvania Avenue between Shiawassee Street and Saginaw Street. When construction on this section of Pennsylvania Avenue is completed in October, Pennsylvania Avenue will have been reconstructed from Grand River Avenue to I-496.
