TRAFFIC ADVISORY

UTILITY WORK ON AURELIUS ROAD SOUTH OF JOLLY ROAD WILL REDUCE TRAVEL LANES

The City of Lansing Department of Planning and Neighborhood Development announces that utility work on Aurelius Road between Jolly Road and Enterprise Drive will reduce travel lanes.

During the first phase of this project Aurelius Road will be reduced to ONE LANE with traffic regulators (flag persons) during daylight hours. The second phase of this work will shift northbound traffic into the center lane around the work zone.

The travel restrictions are estimated to be in place for one to two weeks beginning on Monday, November 3, 2008.

Motorists are advised to use alternate routes and to expect delays.
