MEETING NOTICE

CITY TO PRESENT DRAFT NON-MOTORIZED PLAN AT OPEN HOUSE

The City of Lansing is pleased to present its draft non-motorized plan at an open house on Thursday, February 18th. This draft plan is based on input gathered from the public over the last year at numerous meetings and provides a framework for creating a comprehensive network of sidewalks, trails, bike lanes, crosswalks and other non-motorized facilities in the city of Lansing.

The open house will provide an opportunity to look at the draft non-motorized plan. Those attending will then be asked to provide: 1) feedback on the draft plan and 2) priorities for implementation of the plan.

The open house will be held:

**Thursday, February 18th
6:00 – 6:30 PM
Foster Community Center, Room 213
200 N. Foster Avenue**

Based on the input from the public at this open house and throughout February and early March, the draft non-motorized plan will be finalized by the end of April.

Following the open house for the non-motorized plan, the City will be holding a Master Plan meeting from 6:30 to 8:30 at the same location to discuss transportation issues.
