The City of Lansing Department of Planning and Neighborhood Development announces that beginning Monday, May 4, 2009 the two eastern most travel lanes on **GRAND AVENUE** will be **CLOSED** between Washtenaw Street and Michigan Avenue.

The lane closures are needed for equipment staging to begin restoration work on the South Grand Avenue Parking Structure. Along with the vehicular travel lane reductions, sidewalks adjacent to this project will be closed to pedestrian travel as a safety precaution.

The lane closures for this project are expected to conclude by Thursday, May 14, 2009.

Access to the parking structure and businesses in the area will be maintained.
