TRAFFIC ADVISORY

WESTBOUND HOLMES ROAD INTERMITTENT LANE CLOSURES BETWEEN DEERFIELD AVENUE and WAVERLY ROAD

The City of Lansing Department of Planning and Neighborhood Development announces that the **Board of Water and Light (BWL)** crews will be installing intermittent lane closures on the northern most westbound travel lanes of Holmes Road between Deerfield Avenue and Waverly Road starting Monday, April 26, 2010.

BWL crews will be repairing and relocating water valves prior to the beginning of the Holmes Road reconstruction / resurfacing project scheduled for mid-June 2010. The BWL crews are planning to complete this phase of the project in four to five weeks while maintaining westbound travel on Holmes Road.

Access to local area businesses, adjacent to actual work areas, will be maintained during this project. Drivers are advised to seek alternate routes to minimize delays.
