## **TRAFFIC ADVISORY**

### **LANE REDUCTIONS ON HOLMES ROAD BETWEEN CEDAR STREET AND WASHINGTON AVENUE**

The City of Lansing Public Service Department announces that the **Board of Water and Light (BWL)** crews will be replacing a water valve at the intersection of Holmes Road and Stabler Street starting around 8:00 a.m. on Tuesday, August 17, 2010.

Vehicular traffic on Holmes Road will be maintained but restricted to one lane in each direction. Eastbound traffic will be prohibited from making a left (north) turn from Holmes Road onto Stabler Street. Due to the location of the valve Stabler Street will also have lane restrictions.

This project is expected to be completed by evening.

Drivers are advised to seek alternate routes to minimize delays.
