The City of Lansing Department of Planning and Neighborhood Development announces that the **Board of Water and Light (BWL)** crews will be repairing water service lines on Mount Hope Avenue between Bedford Street and Moores River Drive starting Tuesday, June 01, 2010.

BWL crews will be repairing water service lines in the northern most travel lane in this area. During the repairs westbound traffic will need to be shifted to the northern most eastbound travel lane. Two way traffic will be maintained in this area during the water service repairs. The BWL crews are planning to complete this project in three to four days.

Access to local area businesses, adjacent to actual work areas, will be maintained during this project. Drivers are advised to seek alternate routes to minimize delays.
