SEASONAL YARD WASTE COLLECTION EXTENDED UNTIL WEEK OF DECEMBER 1, 2008

The collection of leaves, grass clippings and other yard waste materials for City of Lansing residents has been extended until the week of December 1, 2008. Residents should set out yard waste on their normal collection day that week.

City of Lansing residents must use paper bags for leaves and other organic yard waste materials and/or bundle brush with string or twine. Brush may be up to 4 feet in length and 2 inches around. Bags and bundles should weigh no more than 30 pounds each.

Backyard composting of leaves and other organics is highly recommended. Free information packets are available. Contact the City of Lansing's Waste Reduction Services at 483-4400 or recycle@lansingmi.gov.
